

# Pediatric Preparedness for the Healthcare Professional

**May 15<sup>th</sup> - 16<sup>th</sup>, 2024**

**Where: Children's Healthcare of Atlanta, Ashrae Building, Classroom 1A  
1575 NE Expressway, Atlanta, GA 30329**

**For: Medical response personnel, health care providers, and medical volunteers  
CME, CNE and EMS CE available!**

This free 2-day, 15-hour course is a standardized, national-level pediatric disaster training focused on emergency management, public health, clinical preparedness, and resiliency and recovery. At the successful completion of the course, participants will recognize components necessary to developing a comprehensive community and facility plan designed to improve pediatric clinical and post disaster resilience.

This event is co-sponsored by SRDRS and the Children's Healthcare of Atlanta Emergency Management team.
