PECC Learning Collaborative Education Brainstorming Session

January 31-February 1, 2019

Travis Adams, Dr. Marc Auerbach and Cassidy Penn

Possible Discussion Questions

1. What are effective ways to provide/disseminate education materials to new PECCs?
2. What specific competencies should each PECC have?
3. What are effective training methods for PECCs (video, scenario, handbook, etc.)

Possible Discussion Questions

1. How can we sustain an education model for PECC's in case of turnover?
2. Who is responsible for training a new PECC?
Resources needed?
3. What barriers do you see for education and what are possible solutions to those barriers?
